In Re: Jacob Wetterling / Danny Heinrich / Public Safety Issue

July 7, 2017

Jon Lentz
Chief Deputy
Sterns County Sheriffs Office
807 Courthouse Square
St Cloud, MN 56303

Deputy Lentz,

I am an investigative journalist and author.

I have information about the Jacob Wetterling case that suggests the confession of Danny Heinrich was false, or incomplete.

In 2009, I interviewed key figures in the case surrounding HaLeigh Cummings, 5, Florida, who was kidnapped on February 10, 2009.

In the summer of 2009, the FBI began actively pursuing information I acquired during interviews regarding photos of the little girl. I was formally interviewed by the FBI in February, 2010 at the federal courthouse in Grand Forks, North Dakota. SEE ATTACHED

I recorded my journalism interviews which revealed a group associated with Specialized Investigative Consultants, Inc., Mishawaka, Indiana, had created child pornography of HaLeigh Cummings. The porn may have been made by a man named John Regan, Hastings, Florida (convicted sex offender) who told searchers he was a pastor that was working "undercover" for the "FBI" as a "pedophile". He also said he was with the CIA.

On October 14, 2016 I was contacted by a group that called themselves "The Firm". They responded to an article I published regarding convicted pedophile Jeffery Epstein and former president Bill Clinton and child rape. SEE ATTACHED

On July 3, 2017 I was again contacted by The Firm. They responded to an article I published entitled "Pedophiles Gone Wild - U.S. Air Force Lt. Colonel providing pedo-support for CNN group as multiple judicial communities run around like rats!" SEE ATTACHED

The first line of my article said, "From the murder of Caylee Anthony, to the kidnapping of HaLeigh Cummings, to the murder of JonBenet Ramsey, to the total bull-shit story the public was recently given about Jacob Wetterling, the goblins are running around like rats!"

In the email by The Firm, they appear to refer to Danny Heinrich and warn that I might get head cut off if I pursue this.

They also refer to a "Rabbit Hole" which is the name of Author David Shurter's book. Shurter telephoned the Jacob Wetterling Foundation long ago and told them he believed that his father, Robert Lynn Shurter, Jr. murdered Jacob. He spoke with the Foundation representative of a blue truck being involved and the Foundation confirmed that was true but asked how he would know that because it was not public information.

The group has been telephoning me using numbers of President Donald Trump, Clinton Global, CNN, Florida Governor Pam Bondi, New Jersey Governor Chris Christie, and many others. They call themselves "The Deep State". They speak into voice changing software. They threatened to kidnap my granddaughter if I don't remove my websites.

Visit www.writeintoaction.com for years of chronicled evidence.

This is a public safety issue because evidence shows an organized group is kidnapping these children and threatening witnesses.

Respectfully
Timothy Charles Holmseth

U.S. Air Force Lt. Colonel providing pedo-support for CNN group as multiple judicial communities run around like rats!

The pedophile-ringa-a-palooza in the Red River Valley of North Dakota and Minnesota is going international as pedogaters use President Donald Trump's telephone number to intimidate publisher that is unraveling their enterprise.

From the murder of Caylee Anthony, to the kidnapping of HaLeigh Cummings, to the murder of JonBenet Ramsey, to the total bull-shit story the public was recently given about Jacob Wetterling, the goblins are running around like rats!

On Sunday, June 25, 2017, Timothy Charles Holmseth filed a formal complaint to the Office of the Inspector General at the U.S. Department of Defense regarding an Air Force officer, who is the son of the president of a group called Specialized Investigative Consultants, Inc. that traffics in persons.

On June 28, 2017, one of the most disturbing people in the North Dakota judicial system, former military officer, now Grand Forks States Attorney David Jones, has asked the North Dakota Attorney General's Office to prosecute accused child rapist George Lyons.

And hell – it only took eight years. Here's what the Grand Forks Herald is reporting.

[George] Lyons' case is being prosecuted by the North Dakota Attorney General's Office, not the Grand Forks County State's Attorney's Office. Assistant Attorney General Britta K. Demello Rice is prosecuting the case for the state.

"This office is prosecuting the case at the request of the county's state's attorney," Liz Brocker, spokeswoman for the Attorney General's Office, told the Herald via email.

Brocker [N.D. Attorney General's Office] deferred comment on why the request was made to the Grand Forks County State's Attorney's Office.

Grand Forks County State's Attorney David Jones declined to comment.

Of course he declined.

I'll comment for scumbag Jones.

The reason the Grand Forks State's Attorney's Office asked the Attorney General to file the charges is because the Grand Forks State's Attorney's Office is COMPROMISED by a pedophile ring that involves Lyons.

By the way - I have express knowledge of court proceeding in Florida involving sex abuse by Lyons against a child in that State (he's been all over the place).

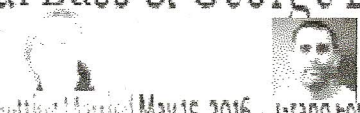

Google 'child porn' and 'University of North Dakota' and see what you get.

Jones can't bring the charges because Lyons says he's engaged to be married to Assistant Grand Forks States Attorney Jodi Bass, which was announced on Bed Bath and Beyond and Facebook.

I know... how sweet, right?

Somebody should ask scumbag Jones what he does in his spare time with the boys down at the lodge.

Now ask yourself... Why is the State of North Dakota bringing charges for crimes Lyons committed in 2009-2010?

Well...

Mounting pressure.

Lyons was charged in Polk County, Minnesota in late December 2015 after the Polk County Goblins (Lt. Rodney Hajicek, EGF City Attorney Ronald Galstad, EGF Police Chief Michael Hedund, Polk County Attorney Greg Widseth, Pine to Prairie Task Force Commander AeiSSo Schrage) could no longer hold off charging him because of mounting pressure on their end.

The Polk County Goblins are up to their eyeballs in a child sex trafficking and a baby-porn cover-up that involves providing material support for an operation called Specialized Investigative Consultants, Inc., which is receiving assistance from the United States Air Force.

The sex trafficking ring involves CNN, the military, and baby-snatchers that identify themselves as FBI and CIA agents.

The Firm commented on Anonymous threatens to release video of Bill Clinton raping a child

Jeffrey Epstein's child procurers were caught on tape by Minnesota journalist by Timothy Charles Holmseth on October 14, ...

Mr Holmseth,

We have reached out to you more than once. Are you avoiding us? That is not recommended as you know, we hear and we see all. Not so long ago another one of our employees reached out to you. I am sorry to say that person is no longer with us as they failed in their mission. Do not fail in yours.

The time has come to set the wheels in motion and you, Mr Holmseth have been one of the many chosen to help move them. You may not know but the website, Radionewz.net, has long been on our radar as it has been on yours. Currently the owner is in the wind and those posting as her on her blog are imposters. This is where you will come in. The following is information is to be by you and others including the pictures as we must find her. The little that you have uncovered her goes much deeper than you know. That will be relayed to you when you do as we request. Suffice it to say, your theories on the Ramsey case reaches far and wide. Far .. and we do in fact believe the murder to be a hoax, much like several others in the recent years.

We have made the information regarding Radio public and now you must also. Trust me when I say, if you want to get to the bottom of the rabbit hole, this is where you start. Satanic forces are in play here and they MUST be stopped.

Do NOT disappoint us.

U.S. Air Force Lt. Colonel providing pedo-support for CNN group as multiple judicial communities run around like ...

Mr. Holmseth:

We haven't forgotten about you though you refuse to acknowledge us or give us what we've requested.

This goes far beyond your little area of the world and Danny is one of the many. So so many, you'll never know.

We have our hands in all the proverbial pots. You above all should know this by now. Do you really think the things that have been happening to you, the things you don't talk about in public, are coincidental? There is no such thing as coincidence, Mr. Holmseth. No such thing.

The rabbit hole you're going down, Mr. Holmseth does lead to a magical tea party but you could lose your head if you continue to chase the rabbit.

Answer the phone when it rings, trust me.
