Jon Lentz  
Chief Deputy  
Sterns County Sheriffs Office  
807 Courthouse Square  
St Cloud, MN 56303

Deputy Lentz,

I am an investigative journalist and author.

I have information about the Jacob Wetterling case that suggests the confession of Danny Heinrich was false, or incomplete.

In 2009, I interviewed key figures in the case surrounding HaLeigh Cummings, 5, Florida, who was kidnapped on February 10, 2009.

In the summer of 2009, the FBI began actively pursuing information I acquired during interviews regarding photos of the little girl. I was formally interviewed by the FBI in February, 2010 at the federal courthouse in Grand Forks, North Dakota. SEE ATTACHED

I recorded my journalism interviews which revealed a group associated with Specialized Investigative Consultants, Inc., Mishawaka, Indiana, had created child pornography of HaLeigh Cummings. The porn may have been made by a man named John Regan, Hastings, Florida (convicted sex offender) who told searchers he was a pastor that was working "undercover" for the "FBI" as a "pedophile". He also said he was with the CIA.

On October 14, 2016 I was contacted by a group that called themselves "The Firm". They responded to an article I published regarding convicted pedophile Jeffery Epstein and former president Bill Clinton and child rape. SEE ATTACHED
